Contract Rationale

In Saint Jude Parish the Confirmation preparation process is intended to be as much of a family experience as possible. Parents are asked to support and encourage their children, not only in their commitment to attendance and participation in all activities, but, most important of all, in a deeper understanding of the significance of Confirmation itself. For this process to be successful we ask students and parents to make a the following written commitment.

Student Commitment

As a student enrolled in our process of preparation I promise to participate with an open mind and respectfully toward all others. I commit myself to attendance of all activities associated with the 10th grade year of Confirmation preparation. I understand that participation is a requirement for advancement to the 11th grade level of our program.
