Description of Service Component
for 9th and 10th Grade Students

Instructions: All students wishing to be a part of our Confirmation preparation process during the 9th and 10th grade years are asked to participate in some type of service component. Given the fact that students are already quite busy and are often asked to participate in a service project (or service hours) through their school, we will happily accept the hours fulfilled through their school. Please read the following instructions regarding the service component of the Confirmation preparation process:
